

MariMatch 2020 – September 10th-11th

International Brokerage Event at SMM Hamburg

On the occasion of **SMM 2020**, the leading international maritime trade fair, Enterprise Europe Network invites visitors and exhibitors to participate in the international B2B-Event MariMatch! This event has been designed as a partnering platform offering an opportunity to meet potential partners for innovation, for new business, for R&D projects and to expand your network in the maritime sector.
