

Powered by VSM

VSM, the German shipbuilding and maritime industries association, is organizing this event as a contribution to enhancing cooperation within the European shipbuilding community. GeMaX is an initiative of German maritime companies providing a platform for financing and procurement hosted by VSM.

Dear Sir or Madam,

VSM and GeMaX cordially invite European shipowners, shipyards and German equipment and services suppliers to attend the

First BuyBlue – Germany Edition –

a B2B event in speed dating style under the umbrella of SeaEurope. Sales executives from German maritime suppliers and service providers will have the opportunity to attend short one to one presentations of their company portfolio with purchasers from European shipbuilders and technical managers from European shipowners. Informal networking opportunities will complement this event.

For procurement executives from European shipyards and technical managers from European shipowners: open new sourcing channels with German suppliers of equipment and services!

For German suppliers: Offer your services and products to European shipowners and shipyards.

Venue:

BuyBlue - International Maritime Museum, room "Deck 10"Koreastraße 1 Hamburg

Date:

September 12 (event's eve reception and dinner) & **September 13, 2017** (main event)

For more info and registration see: www.bit.ly/BuyBlueInfo or contact me directly.

Yours sincerely,

Christian Schneider
