Hatecke Group – your reliable partner.

We offer various sizes and types of partially and fully enclosed life- and tender boats, freefall lifeboats and fast rescue boats and cranes or davit systems.

In addition, we provide annual and 5-yearly services as per MSC.1/1206 and MSC.1/1277 through our worldwide service network on any type or maker lifeboats or davit equipment, either under OEM approval or under presence of class surveyor. We have spare parts for different kinds of makers on stock and offer rehooking as per MSC.1/1392 for all types of non-compliant third-party manufacturer on-load lifeboat hooks.
